

FISCAL NOTE

HB 214

April 1, 2005

SUMMARY OF BILL: Eliminates the certificate for driving (CFD).

ESTIMATED FISCAL IMPACT:

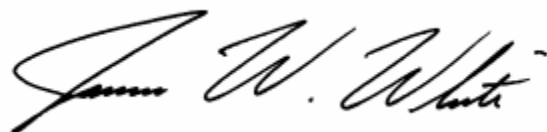

Decrease State Revenues – Exceeds \$400,000 Year 2 & thereafter
Decrease State Expenditures – Exceeds \$60,000 Year 2 & thereafter
Increase State Expenditures - \$15,000 One-Time

Assumptions:

- The Department of Safety estimates that, under current law, approximately 24,000 CFD's will be issued on an annual basis with most being issued for a period of one year.
- Persons currently receiving a CFD will be eligible to receive a driver license if the CFD is eliminated.
- Driver licenses will be initially issued from a period of three to seven years with a renewal period of five years.
- There will be no decrease in state revenues or expenditures in the first year as persons who would renew their CFD will instead receive a driver license.
- In the second and subsequent years there will be a decrease in state revenues from not collecting a CFD fee on an annual basis.
- In the second and subsequent years there will be a decrease in state expenditures from not issuing a CFD on an annual basis.
- A one-time increase in state expenditures for computer system changes.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
